

Amendments to the Specification:

Please replace the paragraph on Pg. 2, ll. 24-28 with the following paragraph:

The first and second securing members 31, 32 are provided with coupling surfaces [14]41 and 42. The coupling surfaces 41, 42 extend beyond the stems 33, 34 a distance 43. Coupling surfaces 41, 42 are configured to couple to the acceptor 50. The coupling surfaces 41, 42 are also configured to cooperate with the angled surfaces 37, 38 so that the securing members 31, 32 are coupled to the acceptor 70.
